Second Hedley concert added for KL Homecoming Week

Not only is Hedley coming to perform at Homecoming Week this summer, the band will be doing two concerts. The Kirkland Lake Festivals Committee has just announced a second night with Hedley.

The band will perform back-to-back nights at the complex on Thursday, June 27 and Friday, June 28. Suzie McNeil and Eleven Past One will join them on the bill for both shows.

Canadian Music Hall of Famers Blue Rodeo will headline the Saturday, June 29th concert at the complex with special guests David Usher and Devin Cuddy.

“We have received an enormous amount of requests and inquiries from across the north and throughout the province” explained Festivals Committee Chairman Robin Connelly.

After announcing the summer line-up, discussions to add a second show began. As the idea became reality, the Festivals Committee realized the importance of making tickets for both Hedley shows available at the same time.

The committee wants to provide former residents and out of town visitors coming for Homecoming an opportunity to purchase tickets for the night of their choice.

“This will avoid people having to swap nights and ensure friends and families are able to attend the same Hedley show, tickets for both Hedley concerts will be going on sale April 4th” Connelly added.

“We are anticipating sell outs so, to avoid missing the biggest concert in Kirkland Lake’s history, people are going to need to buy their tickets as soon as they go on sale.”

Tickets for the Homecoming concerts will be available at the complex starting at 6 pm on Thursday, April 4. All sales are cash only with a maximum of 6 tickets per person. Online sales begin the next morning at 10 am.

Hedley tickets are \$60 each and Blue Rodeo tickets are \$50 each. A limited number of Homecoming ticket packages will be available at the complex and online at a cost of \$100 for both shows.

The Hedley concerts will be all ages with the back portion of the arena floor licensed. The Blue Rodeo concert will also be all ages, but the entire floor area will be licensed for 19 years and over.

Complete details on the Hedley and Blue Rodeo concerts are available online at www.klfestivals.com. A complete schedule of events will be available in the coming weeks.
